EDUCATION

Chennai Institute of Technology, B.Tech Information Technology
CGPA: 8.5

Nov 2021 – Present | Chennai, India

EXPERIENCE

Cisco Virtual Internship, Cybersecurity Associate 

Aug 2023 – Sep 2023 | Chennai, India

- Completed Cisco Virtual Internship as a Cybersecurity Associate, gaining proficiency in utilizing **Cisco Packet Tracer** to design and simulate complex network topologies, ensuring effective **network management**.
- Acquired **1 month of hands-on experience** in cybersecurity protocols and practices, including firewall configuration, intrusion detection, and VPN setup while building and securing basic network infrastructures to **safeguard against potential threats**.
- Enhanced problem-solving skills and deepened understanding of cybersecurity principles through practical application in simulated environments with **70% accuracy**.

PROJECTS

JobFusion, Next JS, React, Tailwind CSS, MongoDB, SupaBase, Stripe 

May 2024 – Jun 2024

- Streamlined Job Matching:** Our platform offers a **user-friendly interface**, enabling candidates to easily browse and apply for jobs tailored to their skills, with **80% accuracy** in matching.
- Exclusive Features for Members:** Upgrade to our **membership tiers** (Basic, Intermediate, Advanced) to unlock additional job application opportunities and advanced features.
- GitHub Link:** <https://github.com/Kamalesh0306/Job-Portal>

WanderWheels, Next JS, React, Tailwind CSS, MongoDB, Stripe

Apr 2024 – May 2024

- Interactive Maps:** Users can locate rental locations using maps, making it convenient to find and pick up cars.
- Real-time Availability and Secure Payments:** Users can check the availability of cars in real-time and make secure payments effortlessly.
- Comprehensive Notifications:** Users receive detailed email notifications after successful payment, ensuring a smooth and informed experience with **85% accuracy** in real-time updates and payment confirmations.
- GitHub Link:** <https://github.com/Kamalesh0306/Car-Rental>

MedEase UI, Figma 

Sep 2023 – Oct 2023

- Clear Information Architecture:** A streamlined hospital consultation booking app facilitating seamless appointment scheduling with healthcare professionals.
- Minimal Steps:** Scheduling a consultation should feel like a quick conversation, not a paperwork marathon. The UI guides users through the process with minimal steps, reducing unnecessary clicks and forms by 80%.
- Utilized Figma proficiently to **conceptualize, design, and iterate** user interfaces collaboratively.

Gym Website, React, CSS, JavaScript, Rapid API, HTML 

Dec 2023 – Jan 2024

- Fitness Tracking:** Users can log and monitor their workouts, progress, and achievements, providing a clear overview of their fitness journey.
- User-friendly Interface:** Easy-to-navigate website design, ensuring users can access all features and tools effortlessly for a seamless fitness management experience with **75% accuracy**.
- GitHub Link:** <https://github.com/Kamalesh0306/Gym-App>

SKILLS

Languages: Python | Java | JavaScript.

Frontend: React Js | Next Js | HTML | CSS | Tailwind CSS

Backend: Node Js | Express Js

Database: MySQL | MongoDB

Design Tools: Figma | Canva | Adobe Photoshop

Version Control: Git | GitHub

Containerization and Hosting: Docker | Vercel | Render |
Aws

CERTIFICATIONS

Cisco: Cybersecurity Essentials | Introduction to Cybersecurity | CCNA-1 | CCNA-2

Coursera: Introduction to Data Science | Basic SQL Syntax | Getting Started with Linux Terminal

LinkedIn Learning: Python Data Structures and Algorithms | Figma Essential Training | Learning Selenium

Udemy: The Complete Web Development Bootcamp

NPTEL: Data Science for Engineers

COMPETITIVE CODING PROFILE AND ACHIEVEMENTS

- Selected as one of the teams in **iMinds Hackathon** conducted in my college in September 2023 for submitting a **visionary industrial project idea**.
- Emerged as one of the top **20 contestants** in the Coding Ninjas Contest conducted in December 2022.
- Leetcode:** Rating of **1557** at top **29.29%** with **330** problems 
- CodeChef:** **2 star** with **1486** and solved over **300** problems 
- SkillRack:** Demonstrated skill and dedication by solving over **1,600** problems
